

Combined Intro to Pistol & Permit to Carry Class

Osseo Gun Club and Pro Shop's Combined Intro to Pistol and Permit to Carry Class is two classes in one and provides valuable extended immersion training in addition to the basic requirements of the Minnesota Personal Protection Act for your conceal and carry permit.

Our course covers:

Live and simulated real life scenarios.

Introduction to firearms .

Proper handling and Safety procedures

Lethal and non lethal defense tactics.

Use of lethal force.

Live fire instruction/qualification (50 rounds).

Tuition fee includes everything except for ammo.

Use of classroom training Firearms is included in tuition fees. Ammunition must be purchased from the OGC ProShop when using our firearms (pricing dependent on selection and caliber).

Anticipated classroom time is 5 hours (depending on class size) and includes live fire instruction/qualification . Prior firearm experience is suggested, if you do not have firearm experience we suggest to take our intro to pistol class prior.
